- ALL COLOR STOCK SERVICE
- Custom colors available upon request

## DESCRIPTION

This polyester stretch yarn has been enhanced with moisture-absorbing and diffusion treatments, offering antibacterial and deodorizing properties. It represents an innovative solution designed to address the weaknesses of traditional polyester fibers, such as discomfort and humidity, ensuring greater comfort. Additionally, the snagging issue that often occurs with stretch yarns has been improved. The product uses recycled polyester sourced from collected pet bottles, labeled 【ECO BLUE®】.

## WASHING INSTRUCTION
