Nm 16.000

## COMPOSITION

- PAPER 47%
- POLYESTER(RECYCLED) 53%

## GAUGE

- 12G-1P

## TYPE OF YARN

- STRAIGHT

## COLOR STOCKS

- ALL COLOR STOCK SERVICE
- OWN COLOR MINIMUM:3KG

## DESCRIPTION

A high-gauge yarn made with extremely fine paper yarn and recycled polyester.

By using a specialized machine that encompasses the entire yarn-making process; from slitting the paper to twisting the yarn, we have achieved stable quality and productivity that were previously unattainable. Additionally, by utilizing ultra-fine polyester for the yarn's core the paper can remain almost untwisted and wrap the entire yarn, bringing out the original characteristics of paper; excellent strength, a soft texture, and easy-care properties.

## WASHING INSTRUCTION
