- ALL COLOR STOCK SERVICE
- OWN COLOR MINIMUM:3KG

## DESCRIPTION

NEVE is a fine brushed yarn that combines the gentle warmth of baby alpaca with the softness and loft of extra fine wool. Unlike mohair and other animal fibers, it offers a smooth, silky touch without any prickly sensation, providing exceptional comfort for a wide range of wearers. Its ultra-fine count design brings an elegant lightness and refined texture not found in conventional brushed yarns. With a delicate balance of warmth and airiness, NEVE delivers a soft, cozy feel that gently embraces the skin. Lightweight yet insulating, it's a versatile yarn ideal for both delicate and refined knitwear across all seasons.
